Kiran Vale

Independent product designer · Bengaluru, India · hello@kiranvale.example

PROFILE

Product designer with ten years of experience in fintech, health and travel. I shape problems with research, sketch the flows and stay until the details ship. Comfortable leading design inside small product teams.

EXPERIENCE

Independent product designer — Kiran Vale Studio 2023 — now
Product sprints, design partnerships and design system audits for fintech, health and travel teams.

Lead product designer — Tandem Pay 2020 — 2023
Led four designers through the redesign of the core payments app; bill settling time fell from 4 min to 40 s.

Senior product designer — Northpeak Health 2018 — 2020
Designed patient booking and the clinic dashboard used in 120 clinics; online bookings up 62%.

UX designer — Studio Kettle 2016 — 2018
Web and app projects for retail and hospitality clients at a small Mumbai agency.
